

PROBUS CLUB OF SYDNEY

OUR STRENGTH IS FELLOWSHIP
OUR SUCCESS IS PARTICIPATION

GUEST INFORMATION

What is Probus?

The basic purpose of Probus is to provide regular gatherings of persons, who appreciate and value opportunities to meet others in similar circumstances with similar levels of interest.

Probus opens the door to new experiences and friendships. You can hear wonderful guest speakers who will enlighten and stimulate you. You can stay active by participating in a range of activities.

Fellowship, intellectual stimulation and enjoyment are the foundations on which Probus is built.

Membership

Our members reflect a broad range of interests including, business and finance, defence, the professions, government and academia.

They come chiefly, but not exclusively, from the Sydney Metropolitan area.

Membership is restricted to males, but partners and guests are welcome to join in social events.

General Meetings

The Club meets monthly, except January, at 10 am on the first Tuesday of the month at the Union, University & Schools Club, Level 2, 25 Bent Street, corner of Phillip Street, Sydney.

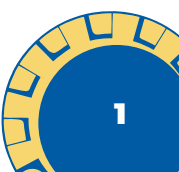

After a brief business meeting, we enjoy morning tea followed by a guest speaker, then a convivial luncheon in the Union Club dining room. Discussion over coffee and tea in the lounge closes the meeting.

Guest Speaker Program

At monthly meetings outstanding guest speakers provide stimulating presentations on a range of interesting topics. Presentations are usually one hour long including questions.

“We enjoy an excellent program of guest speakers, I learn something new every meeting.”

David Greatorex

Activity Program

Our Social activities are arranged to visit places or organisations of particular interest. You will rapidly build your friendship with other members by attending these special events. Your partner and guests are most welcome to join you at these informal events. Generally these are day events. Occasionally, we have overnight or longer excursions.

“The day I joined Probus, I instantly had 100 new friends”
